The Street Kid Company <http://www.thestreetkid.com>

1. Truly understand what your spiritual self is, then learn to tap into and utilize the Infinite Power and intelligence of the higher side of your being.
2. Learn about the 6 intellectual functions of your conscious mind and how to utilize each one every day.
3. Learn the 3 functions of your subconscious mind and the power it has on your everyday results and behavior.
4. Uncover and understand the "real" cause of your self-image and why every one of your results is totally determined by it.
5. Learn how to find the "True North" in each area of your life and understand exactly what has caused your current results in each area.
6. Determine, then decide exactly what you want in each area of your: career, wealth, health, spirituality, and relationships, and then learn how to properly plan for them to occur.
7. Learn how to re-program and re-condition your mind to achieve mega-success in each of these areas of your life.

=====  
John Assaraf, aka "The Street Kid" transformed his life from being part of a small-time gang in his teens, to becoming a multi-millionaire entrepreneur before the age of 30 using the exact principles and techniques he shares in his new book "The Street Kid's Guide to Having it All". Read what Brian Tracy & Mark Victor Hansen are saying about the book by visiting: <http://www.thestreetkid.com/> .
