### Report Idea #1. Tips/ways

This is a very easy and simple report to create. All you need is a handful of themed tips with a 3-7 sentence explanation for each. Just like I'm doing here.

### Report Idea #2. Tutorial (Step by step)

This is your classic "how to report". Find a hot topic that a lot of people are interested in and provide a step by step tutorial.

### Report Idea #3. Resources

There are 2 different types resource reports. Long and short. You simply add a brief description to each of the resources. It doesn't need to be long, it just needs to explain what the resource does.
