=====

STEP ONE

Go to this Web site:

<http://www.wbc.com/wbc/main.asp>

It's called the WorldBizClub.

Scroll down and click on the Link "BizLeads To Buy".

You will see requests from companies around the world who want to Buy and Sell a great variety of products.

For now, focus on the companies that want to "Buy" items in large quantities only. Some Buyers will want large quantities of items like 20 Million Tin Cans or 20 Tons of Cotton or 100,000 DVD Players, etc.

STEP TWO

Now go to this Web site:

<http://www.thomasregister.com>

It's called the Thomas Register.

The Thomas Register is a searchable data base with a listing of more than 64,000 manufacturers located around the world. These manufacturers produce any product you can imagine.

Now take one Buyer's request from the WorldBizClub Site and do a search for that item in the Thomas Register.

Example: If you have a Buyer from the WorldBizClub site who is requesting 100,000 DVD Players, enter DVD Players into the #2 area "Product and Services" box at the Thomas Register Web site then click the #3 button titled "Find It Button".

The Registry will come up with dozens of manufacturers of DVD players who sell them wholesale.

STEP THREE

At this point all you have to do is call the manufacturer and request a price for 100,000 units of DVD Players.

Once you get a price, try calling another manufacturer to see if you can get a better price...

Now email the Buyer for the DVD Players at the WorldBizClub (contact info is listed). Tell them you have 100,000 DVD players on hand. Give them a price which includes your commission as a broker. (You're now a Trade Broker).

=====

Example Of How You Make Your Money:

=====

If the manufacturer will sell the 100,000 DVD's at wholesale for \$50.00 each, you tell the buyer that you can get them for \$52.00 each. The buyer may only want to pay \$50.50. That's great!

Simply agree to their offer and the deal is closed. You haven't had to sell a thing. All you've done is bring buyer and seller together and in the process made 50 cents on every DVD sold. That's a whopping \$50,000 in less than 30 minutes.

These transactions are performed every day by people just like you who know where to look and what to look for. Of course not every transaction will close. They have the knowledge and know how to use it.

Now, if you send 5 emails a day to 5 different "Buyers" that's 25 emails per week and one hundred emails a month. If only 3 to 5 of these contacts turn into sales, you will make a substantial amount of money working approximately 1 hour per day on the internet! It's a simple, yet powerful money making technique when you have the knowledge of how it works.

See exactly how easy it is to get paid with this program at the Amazing Money Secrets Newsletter

web site.

This is only one of over a dozen powerful secret moneymakers you will gain access.
